SPECIAL LIST OF
LIVE SEED FOR THE GROWER

February 1900.

To Our Patrons:

In mailing you this list of Seeds our object is to place before you, in as concise form as possible, the Standard varieties of Seeds, not untried novelties, but sorts that *you know* are good, and will give perfect results. Our Stock has been selected with a special object in view: To GIVE YOU, THE BUYER, YOUR MONEY'S WORTH.

The seed stocks offered are, in every way, as pure as can possibly be had, and no pains or expense have been spared to procure the best which the market affords, and, while it is impossible for any seedsman to guarantee a crop from the seeds he sells, we have faith in our stock; we know it is the best obtainable, and we will cheerfully refund the purchase price in every case where the seed is at fault. Climatic conditions we cannot foresee, nor can we insure against the many evils which surround the seed from its first germination. We *can* and *do* furnish *live* seed, thoroughly tested and carefully selected.

Trusting to be favored with your valued orders, which we will give our best attention, we remain,

Faithfully yours,

THE B. L. BRAGG CO.
